IMMEDIATE NEEDS / PETITIONS

We pray for. . .

- **Our nation as we remember 9-11** – families affected by death and injury, those that served and still serve for causes connected to this life-changing day, vigilance even in a pandemic, our nation's healing – now 19 years later.
- **Our community, as families and people find safe ways to engage for the good of mind, body and soul.**
- Those affected by **Hurricane Laura.**
- A country facing: **a pandemic, continued racial unrest and pain, closures, misunderstandings, a growing and divided nation** just to name a few. Heal our land, O Lord. Heal our hearts. Heal our bodies. Bring Your people together in peace. Protect your people.
- Those that are under or unemployed and in search of employment.
- Relief of pain, strength, and healing for **Jacques Miglioli, Carolyn Remmele, Elise Bauer, Bob Kasten, Nick Berlier, Dick Gaughan, Callie Cossman** (family member of Doris Motley and Linda Hughes), **Harold Wiebe, Randy Thaman, V'Ann Ryther**, and our **various family members** who are going through difficult surgeries, procedures, times of healing, and struggling with the separation of this time and circumstance.
- **All our armed service men and women** currently in active duty or the reserves. **All that work for the protection and peace of our city and neighborhoods.** The wisdom and protection of **those that make, administer, and carry-out our laws; our nation's leaders.**
- **The Smith Family (Lee) and for all families walking through the valley of death's shadow.** May they and we have a deeper gratitude for the saints that have gone before and a daily grasp on the promise of eternal life in Christ alone.
- **Those that suffer in silence.**
