IMMEDIATE NEEDS / PETITIONS

We pray for. . .

- **Our community, as families and people find safe ways to engage for the good of mind, body, and soul.**
- **Our country facing: a pandemic, continued racial unrest and pain, leadership transitions, mass shooting events and the reality of our growing divisions as a nation.** Heal our land, O Lord. Heal our hearts. Heal our bodies. Bring Your people together in peace. Protect your people. Grant us Godly leadership. Help us to speak and live both the grace and truth of Christ. Build our lives on the Bible. May we seek Your face!
- Those that are under or unemployed and in search of employment.
- Relief of pain, strength, and healing for **Joshua and Jeffy Srinivasagan, Sandra Tanczer, Cathy Newman, Laura Robinson**, and for **various family members** who are going through difficult surgeries, procedures, times of healing, and struggling with the separation of this time and circumstance.
- **All our armed service men and women** currently in active duty or the reserves. **All that work for the protection and peace of our city and neighborhoods.** The wisdom and protection of **those that make, administer, and carry-out our laws; our nation’s leaders.**
- **All families walking through the valley of death’s shadow.** May they and we have a deeper gratitude for the saints that have gone before and a daily grasp on the promise of eternal life in Christ alone.
